Compiled by Peter Cooley

PART FOUR: NEW WINNERS FROM AUGUST 1960

- Part One: Winners from 1899
- Part Two: Winners from January 1920
- Part Three: New winners from August 1941
- Part Four: New winners from August 1960

The listed races are winning performances for each horse, except where specified as a placing.

Launceston races were held at Elphin. Except between 28.02.42 and 28.02.43 when they were held on Mowbray Racecourse.

The Royal Showgrounds at Glenorchy is listed as Hobart, other Hobart tracks were Risdon, Northall and Ascot.

All times have been reduced to a mile rate. This list contains results that have been available, it is not complete.

Some interstate results are included.

M = mile = 1609 metres. F = furlong = 1/8 of mile. m/s is mobile start

Winners in Tasmania after JULY 1986 are not included. They are available on Harness Racing Australia's web site. Racing in Hobart between 24th of February 1979 and 10th of May 1980 was held on the Elwick Racecourse due to the upgrade of the Glenorchy Showgrounds track.
