2007 InterDominion

## 2007 Inter Dominion Points System

(a) Points shall be awarded to each horse starting and finishing a qualifying heat on the basis that the winners of each Qualifying Heat will receive, in points, the equivalent of the number of horses previously selected by Harness Racing SA as the maximum number of horses to compete in each Qualifying heat. With each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field will receive (1) point.

(b) The winner of each Qualifying Heat will receive (4) bonus points to be added to the points already earned for the race. Second and third horses in each Qualifying Heat will receive (2) and (1) bonus points respectively, to be added to the points already earned for that Qualifying Heat.

(c) In the event of a scratching or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field had competed and finished in that particular race.

(d) In the event of a dead-heat, all points of the horses' dead heating shall be added together and equally divided.

(e) In the event of a horse starting in a qualifying heat and finishing the race and then subsequently be declared a non-runner (as distinct from being disqualified) by the Stewards it shall be awarded points in accordance with this Condition. The declared non-runner's points shall be calculated by its finishing position for the purpose of the allocation of points. The points for all other horses shall be allocated in accordance with this Condition, based on the placing at the time "All Clear" is declared.

## Inter Dominion Grand Council

**South Australia. A Brilliant Blend. 2007 Inter Dominion  
Pacers and Trotters Championship Series**

Moonee Valley, Melbourne, Victoria and  
Globe Derby Park, Adelaide, South Australia

The Inter Dominion Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for the Inter Dominion Council to appoint a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from Series to Series, and, any disputes resolved during the currency of any Championship Series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion Controlling Authority to the Grand Council.

Currently, in modern Australasian Harness Racing, this has evolved so that a Grand Council is appointed for each Championship Series by the parent body, the Inter Dominion Harness Racing Council. The Grand Council has a primary role to resolve any disputation referred to it by the Conducting Club.

### **The Grand Council appointed for this Championship Series is:**

Robert Marshall – Chairman, Inter Dominion Harness Racing Council  
Rod Pollock – Chief Executive, Inter Dominion Harness Racing Council  
Mark Carey – Chief Executive, Harness Racing South Australia  
John Anderson – Chief Executive, Harness Racing Victoria  
Secretariat – Rod Pollock,  
Chief Executive, Inter Dominion Harness Racing Council Inc
