## Harness Racing Victoria Chairman's Welcome

You are invited to experience Watpac ID08 – the dawn of a new era for the Inter Dominion.

Victoria is playing host to its ninth and most exciting Inter Dominion pacing and trotting championship over three consecutive Saturday nights from February 16.

The 2008 Watpac Inter Dominion showcases the best of the best in a dynamic new format aimed at stimulating and maintaining greater interest in harness racing's premier event.

Together with the industry we have developed a blueprint for the future, modernising the industry's showcase series to protect and enhance its identity.

You will be intrigued and captivated by the highly competitive racing schedule and a unique qualification process that reaffirms the Inter Dominion's standing as the pinnacle of harness racing's Australasian Grand Circuit.

We were indeed delighted to showcase one of our premier regional venues, Geelong, with the running of the Watpac ID08 qualifying heats last Saturday night.

It was the biggest crowd Geelong has witnessed since its opening in the late 70's. The atmosphere was fantastic and the racing itself terrific – all of which has set the scene for two big nights here at Moonee Valley.

Tonight will see the running of four Inter Dominion semi finals – two each for the pacers and trotters – together with three heats of the Alabar Victoria Derby.

It will be the first Inter Dominion championship meeting held here at Moonee Valley since February 12, 2000 when Shakamaker recorded a memorable hometown victory in the last Melbourne Inter Dominion.

The biggest night in Victorian harness racing for eight years will be held here next Saturday night, March 1 when \$1.4 million in prizemoney will be distributed.

Headlining the program will be the \$750,000 Watpac Inter Dominion Pacers Grand Final, the \$250,000 Seelite Inter Dominion Trotters Grand Final and the nation's oldest pacing classic, the \$150,000 Alabar Victoria Derby.

We are delighted that you have seen fit to join us trackside tonight and experience real horsepower. I can promise you that Watpac ID08 will be an event to remember.

Yours sincerely,  
Neil Busse - HRV Chairman

## INTER DOMINION GRAND COUNCIL

### 2008 Watpac Inter Dominion Championships Moonee Valley, Victoria

The Inter Dominion Championship was first conducted in 1936 in Perth and from its inception it was realised there was a need for the Inter Dominion Council to appoint a supervisory body to ensure that rules, policy and guidelines were uniformly interpreted from Series to Series, and, any disputes resolved during the currency of any Championship Series.

The President of the Council in those days was the late J.P. Stratton who appointed the President of each State and Dominion Controlling Authority to the Grand Council.

Currently, in modern Australasian Harness Racing, this has evolved so that a Grand Council is appointed for each Championship Series by the parent body, the Inter Dominion Harness Racing Council. The Grand Council has a primary role to resolve any disputation referred to it by the Conducting Club.

The Grand Council appointed for this Championship Series is:

**Robert Marshall**

Chairman, Inter Dominion Harness Racing Council

**Rod Pollock**

Chief Executive, Inter Dominion Harness Racing Council

**John Anderson**

Chief Executive, Harness Racing Victoria

**Edward Rennell**

Chief Executive, Harness Racing New Zealand

## \*\*\*\*\* HOW TO PLACE A BET WITH THE TAB AT THE TRACK \*\*\*\*\*

The TAB provides "totalisator" betting (often referred to as "The Tote") for all races and has many bet types to choose from. Totalisator betting means that all punters are betting into a pool, and the pool is divided among all the successful bets. This is why the dividend / price for your runner changes up until the race jumps.

### HOW TO PLACE A BET WITH THE TAB

1. Decide what bets you would like to place.  
(If you can't decide, you can ask for a "Mystery" bet and the TAB computer will make the selections for you)
2. Go to one of the TAB betting windows
3. Tell the TAB operator:
  - The location and race number of your bet
  - The bet type you would like
  - The horse number/s you would like to bet on
  - The amount that you wish to spend

For example, for a Quinella bet (the first two horses past the post in any order) you would say: Melbourne Race 2, Quinella with the numbers 2 and 3, for \$5.

4. Repeat this process for additional bets
5. Give the operator the total \$ amount of your bet/s and you make sure you check your ticket/s!

### HOW TO COLLECT WITH THE TAB

If you are lucky enough to have a win, you'll be able to collect your winnings shortly after "correct weight" is announced.

The dividends for each bet type will be displayed on screens throughout the racecourse so you can determine how much you have won.

Simply present your winning ticket/s to any TAB operator at the track and collect your cash!

Winning tickets can also be presented at any TAB for collection.

# GREAT SHOPPING AND ENTERTAINMENT YOU CAN BET ON IT

## Restaurants and entertainment

A thriving economic hub, Moonee Valley has several bustling shopping strips boasting quality restaurants offering a wide range of international cuisine. With more than 30 percent of our population born overseas, there's no end to the variety on offer. Noodle bars and pizza parlours can be found alongside elegant cafes and trendy restaurants, evidence of our rich multicultural heritage.

Want to kick on after dinner? Head to the popular entertainment strips along Mount Alexander Rd, Racecourse Rd, Keilor Rd, Macaulay Rd or Union Rd for a wide variety of bars, clubs and nightspots. Or treat yourself to a night at the theatre at the Clocktower Centre, acclaimed for its quality and diversity of performances.

- 1 Moonee Ponds
- 2 Keilor Rd
- 3 Racecourse Rd
- 4 Flemington
- 5 North Essendon Village

## Shopping in Moonee Valley

Perhaps the most famous of Moonee Valley's shopping strips, Puckle St is a lively, bustling shopping strip with an assortment of sidewalk cafes, elegant restaurants, upscale boutiques and chain and specialty stores. But wait – there's more! Move beyond Puckle St to Hall St, Pratt St, Shuter St and the Moonee Ponds Central shopping centre for an even larger range of stores and cafes. Puckle St is easily accessible by tram, train and bus.

Venture a little further to sample the delights at North Essendon Village or Keilor Rd, Niddrie, for a wide variety of cafes, bakeries, restaurants, fashion, footwear and homewares or Union Rd in Ascot Vale for food, beauty, fashion and fresh goods. Racecourse Rd, Flemington – gateway to the world-famous Flemington Racecourse, home of the Melbourne Cup – is a great spot for local restaurants, cafes, hotels and pubs featuring a wide array of cuisine choices.

'THE ADVERTISERS' LINCOLN MOORE SAYS RHYTHMATISM (3) is racing in career best form and she made it consecutive wins here when she came off the speed to defeat Sandysimynname. She tried hard when runner-up behind the in-form Piccolo Wil Wil here on Monday and looks well placed. **SPORTY SPICE (2)** is nicely drawn and she started favourite two starts back behind Rhythmatism before a handy run when 4th behind Romeo Trust after racing wide last week. **RURAL COMMAND (8)** had a good run and made some late ground behind Petria last time. He must be considered. **ANGEL FLYER (1)** is drawn nicely here and can run a forward race. Her recent form has been below her best. **MAHALS EXPRESS (5)** was a soft winner back in class from a better draw last week and must be respected.

**SELECTIONS:** RHYTHMATISM (3), SPORTY SPICE (2), ANGEL FLYER (1), RURAL COMMAND (8)

10yo pacer, which gained the perfect run through the middle of the pack from last before running getting onto the back of Larado and becoming badly blocked for a run when a luckless ninth last week. He is poorly drawn but could run into a place.

**HUTCHY SAYS:** This race is for horses that didn't qualify in last week's Interdom heats at Geelong. **LARADO NZ (6)** weakened after a tough run when unplaced but not disgraced at Geelong and will appreciate dropping back to this winnable grade - he looks the class runner of this field on his 13 wins over the last two seasons. **DECORATED JASPER (3)**, who gets Gavin, ran the race of his life at Geelong as he was caught wide early before being eased, then again out wide in the last lap and wasn't far away behind all the way winner Reba Rejah. **THE WARP DRIVE (1)** isn't the horse he was a couple of seasons back but showed good signs at Geelong when not far away and making late ground in a 56.6 last half behind Report For Duty. The pole draw puts him in with a chance. The rest are very even with **DONTFENCEMEIN NZ (2)**, **LENNY BROMAC NZ (5)**, **DEE DEES DREAM (8)** and **ANTIGUA BAY (9)** likely to be prominent.

'THE ADVERTISERS' LINCOLN MOORE SAYS BORN TO GROOVE (9) faces a tough barrier draw and he was a beaten favourite at Port Pirie last week when he led and looked to have every chance. His previous form was excellent and he should give this a shake. MATTS PRIDE (8) was a good winner back in class before having every chance last week when runner-up behind Romeo Trust. He will be running on and must be respected. CONTRARYMARY LOMBO (6) is drawn wide but can push forward here and she has been racing well. She was favourite when runner-up behind Bluechip Holmes at Port Pirie last week. BETTER THAN ELVIS (7) should get a nice run from the draw and has been racing well. He was a good winner over Sheezalittlebeauty two starts back before trying hard when runner-up behind Great White last time. SHEEZALITTLEBEAUTY (2) is nicely drawn and she faced the breeze and was strong at the finish when a good winner over Signorina Macray here on Monday.

He is a very honest pacer and ran a huge race at Maryborough last outing when he came from last out wide on the track in a slick final quarter of 28.5 seconds to finish second. He has a tough draw but is a value chance in the event.

**HUTCHY SAYS:** This is the culminating race of the Australasian Young Driver's Championship and looks a very open affair. The Wagga trained **OWNEROPERATOR (6)** has won 13 of his 39 starts and comes off a hat trick of victories, the most recent a dead heat success at Shepparton last weekend where he sat in the breeze and fought on strongly in a fast 1:58.5. He looks well up to this. **TI VOGLIOBENE (2)** came from behind to win at Shepparton three starts back, then was wide to the breeze when scoring in slow time at Yarra Valley before disappointing at Geelong last weekend when, a hot favourite, he caused a false start when galloping in the score up, then led at the second attempt but was beaten on the home turn. He's better than that and should be given another chance. **CLAUDE GREENGRASS (8)** has been in career best form this season and showed that he's holding up well with an excellent Bendigo victory nine days ago where he settled at the rear from his wide draw, was off the track in the last lap and too powerful for Gwenda Baker and **MONIERE (7)** in a 56.7 last stanza. **MONIERE (7)** also ran a brave race at Bendigo and is in with a chance. **TALK TO ME COURAGE NZ (10)** sat in the breeze to beat last Saturday night's winner Striking Spirit at Ballarat two starts back before disappointing at Geelong last week when a close fourth after having the run of the race. He's as good as any of these when he produces his best. Chances also to **SERENITY NOW (5)**, who ran a brave third at Geelong last week along with in-form Sunraysia performer **YUCATCHIM (4)** and to a lesser extent **OPEN LAND (1)**, **COOL WARRIOR (9)** and **ALBERT JACCKA (11)**.

**SELECTIONS:** OWNEROPERATOR (6), TI VOGLIOBENE (2), CLAUDE GREENGRASS (8), TALK TO ME COURAGE NZ (10)

This is another tough race to assess with many winning chances. **CLEEVE HILL (6)** raced against his normal racing pattern when three wide for the last lap so did a good job at his latest fourth and is making his debut for trainer Mark Dux. He has a good turn of speed and is worth another chance. **HAL THOMAS (8)** has beaten a similar field at his past three starts and is the horse to beat again but is awkwardly drawn on the inside of the second line over the sprint distance. **IN TOWN TONIGHT (1)** has found **HAL THOMAS (8)** too good at their past two meetings but is racing consistently and is an each way chance from the pole position. The stable mates **MY FRENCH ATOM (3)** and **CLASSIC HERO (4)** are both very quick beginners from the mobile and should be prominent throughout from their good draw on the front line. **REDCOURT (2)** would beat this field on his best form but is resuming from spell and his claiming price has dropped dramatically from his latest performance, which is a concern. **FRANCO ERUPTION (9)** and **HATARI KNIGHT (10)** are both capable of figuring in the finish with the right luck in running.

**SELECTIONS:** CLEEVE HILL (6), HAL THOMAS (8), IN TOWN TONIGHT (1), CLASSIC HERO (4)

**SUGGESTED BET:** CLEEVE HILL (6) each way

**'THE ADVERTISERS' LINCOLN MOORE SAYS PICCOLO WIL WIL (3)** is racing in career best form in SA for Ray Goble and made it six straight wins when he defeated Rhythmatis here on Monday. He is dawn to get a charmed run throughout and looks the testing material. **YOUNG VANCE (1)** is perfectly drawn here and he is noted sprinter. He hasn't raced since a good effort when 4th behind Cleverator here and should run very well. **JOHNNY DOIKA (5)** is racing well and he was caught wide for a long way when a solid winner over Our Lucky Knight at Gawler back in class last time. He is drawn wide but has strong each-way appeal. **PETRIA (6)** is in great form and she had a good run off the speed when a good winner over Nothinglikemary last time. She right up in class now and drawn wide but sure to be thereabouts. **BLUECHIP HOLMES (2)** was back to winning form when too good for Contrarymary Lombo back in class from the stand last time and should run well.

SELECTIONS: PICCOLO WIL WIL (3), YOUNG VANCE (1), PETRIA (6), JOHNNY DOIKA (5)

**SPIDER MORGAN (3)** possesses gate speed and has been placed behind the classy horses Very Cool and Delectable Dolly in recent weeks so looks very hard to beat against this line up. **DOON YONDER (1)** is a genuine sprinter, which finished third in the same race won by Delectable Dolly last week and should receive every chance by trailing **SPIDER MORGAN (3)** throughout in this event. **DEADLY SMILE (8)** ran a career best race when he trailed the leader and scored in a slick 1.56.2 mile last outing. He is likely to settle three back on the markers here but should be running home well via the sprint lane. **NO ASTI LEFT (5)** is a very versatile and honest pacer, which sprinted home quickly from a nice trail to win over Speed Torque (won since) last outing. He may get left stranded without cover but is worth an investment. **WAKIZASHI (7)** has raced against stronger opposition at his past two outings but might need luck from the outside of the front line.

**SELECTIONS:** SPIDER MORGAN (3), DOON YONDER (1), DEADLY SMILE (8), NO ASTI LEFT (5)  
**SUGGESTED BET:** SPIDER MORGAN (3) to win  
**EXOTIC BET:** Flexi Trifecta 1,3/ 1,3,5,8/ 1,3,4,5,7,8 (Cost \$20, which gives 83.33%)

Former New Zealand pacer, which has won at his past seven starts and remains undefeated from four attempts in Australia. He raced outside and outgained the smart 3yo Maffioso at Ballarat then won with ease at Kilmore. The draw is no luxury but he is worth following.

**HUTCHY SAYS:** TANABI BROMAC (9), who hasn't finished further back than second in nine starts, winning six of them, has been in outstanding form of late. He ran seconds here to Normie and then to Crusaders Castle from the breeze in December, then had a short break before scoring in heat and final of the George Croxford at Cobram and Echuca before sprinting sharply to win at Shepparton last weekend. FLIGHTPATH (3) doesn't seem to be at the same level as when he won seven races last season, culminating in his Breeders Crown success. A first up CO winner at Bendigo a month ago, he dropped out of the Caduceus Club Cup after sitting in the one-one here three weeks ago, then led and went slowly when out-sprinted by Crusaders Castle at the day meeting here last weekend. He's too good to be written off just yet. Former Kiwi IM MARK ANTONY NZ (12) was a dual Addington winner (making it three on end in his homeland) before saluting in impressive style at all four Aussie runs. He proved his worthiness at this level when sitting in the breeze outside Maffioso and beating him at Ballarat two runs back. IRISH SAILOR NZ (10) is a Peter Tonkin trained youngster who's won four of his seven starts and looked good in his 16 metre Ballarat victory last time. He's improving all the time and shapes as a strong stayer. DONOSON (6) is better than his form-line suggests. He mixed it with some of our best juveniles last season winning four times, but has made mistakes in both runs since resuming. Each way chances to OHOKA GEORGIA NZ (1), BAD CAT NZ (2), OUR ICARUS NZ (5), SHENANIGAN SHANNON (7) and ART TRADER (8).

**RATINGS:** 9 / 3, 12 / 10 / 6 / 1, 2, 5, 7, 8.

MYRNIONG RAGER (7) endured a terribly hard run when he pushed forward to get up on the outside of the leader but was parked out three wide for a long way at his latest third. He has the worst possible draw but is the best horse competing in this field and must be respected. AMRIK OVERDRIVE (2) hasn't been far away from the winner at his past five starts and is drawn to lead over the sprint distance so is worth an investment. ARMBROS REVENGE (3) ran a terrible race when he failed to beat a runner home last week but has been mixing his form lately and will be better suited to the sprint distance here. SLICK CHANDON (6) is making his debut for trainer Richard Hooper after leading throughout to win the claiming event in a slick mile of 1.56.6 last week. He is rising in class but should run a good race again. VISCOUNT VIC (5) ran home fairly well for fifth last outing and is capable of filling a place.

Victoria Cup winner this season but he hasn't really been in the best of form this season. He pushed forward from a wide draw and gained the perfect trail behind the eventual winner in Safari when eighth (51m) in the Ballarat Cup so he faces a tough task from this draw.

Spring Championship winner this season but has the worst possible draw and followed inside runs throughout when sixth in the fastest heat. He is likely to be at big odds for this assignment.

**HUTCHY SAYS:** SAFARI (1) should win this easily if in the form that saw him win the Bendigo Cup in 1:55.7 four starts back, and sitting outside Blacks A Fake and beating him in the Ballarat Cup a month ago. From the ten metre handicap, he worked hard to the breeze and battled on manfully, when a close fourth to Blacks A Fake in the Hunter Cup last time, and from the draw should be straight in front this time. His only danger looks to be PENNY VEEJAY (8), who led all the way and finished off in a brilliant 56.0 when winning his heat of this race at Geelong last week. He has early speed and should be sitting right behind the favourite. DIAMONDS N FURS NZ (2) has shown that he's well up to this level in recent runs with a close second in the Terang Cup after being used twice, and an excellent second last week in his heat of this race at Geelong to CINCINNATI KID NZ (5), where he sprinted sharply to hit the lead in the home straight but was out-sprinted in the closing stages. It was a good return to winning form for CINCINNATI KID NZ (5) as he participated in an early speed duel and was still able to come on at the finish. The other winning chance belongs to KARLSRUHE (3), who's perhaps the most improved pacer around. He was desperately unlucky in the Hunter Cup and it was a similar scenario last week when he came off the pegs on the home turn and was blocked until CINCINNATI KID NZ (5) had the race won.

**SELECTIONS:** SAFARI (1), PENNY VEEJAY (8), DIAMONDS N FURS NZ (2), KARLSRUHE (3)

**RATINGS:** 1/8/2/3/5.

**SUGGESTED BET:** Trifecta 1 & 8 to win and run second with 2, 3, 5, & 9 for third.

The outstanding mare FLEUR DE LIL (7) was resuming since winning the Breeders Crown at Ballarat in August when she dashed home in a slick final half of 56.2 seconds to win effortlessly two weeks ago. She is clearly the class horse of the field and is definitely the one to beat. MATAI B B C (10) hasn't started since a fourth behind Rollercoaster Road in an open class event in August. She will be fitter for a recent trial effort and built up an outstanding strike rate last season so looms as the logical danger to FLEUR DE LIL (7). DELECTABLE DOLLY (4) is a very honest mare, which might not have the dynamic turn of speed of FLEUR DE LIL (7) and MATAI B B C (10) but broke through for a deserved victory last week and should be competitive again. Both MAID EASY (5) and MEADOW FOAM (8) are capable of sprinting to the line quickly with the right trail forward and should be considered in multiple combinations. THE MIRAGE (6) has won at her past two starts, possesses gate speed and races best over the sprint distance so has the ability to fill a place if she can find the lead.

SELECTIONS: FLEUR DE LIL (7), MATAI B B C (10), DELECTABLE DOLLY (4), MAID EASY (5)
SUGGESTED BET: FLEUR DE LIL (7) to win

He broke when down the track last time but has trialed well expect big improvement. **KING LANCELOT (1)** improved last time when runner-up behind One Ace Wonder. Strong New Zealand pacer, which gained a nice trail in the early  
 stages, came three wide from the 1100m and recorded a big win last week. He has improved with each of his  
 runs in Australia so is peaking at the right time. The tough draw will be a major hindrance but he could run  
 into a place.

**HUTCHY SAYS:** Reigning Interdom champ **BLACKS A FAKE (6)** had done everything  
 right in his quest to win this series for the third consecutive time. After his amazing  
 Hunter Cup win, beating **SMOKEN UP NZ (7)** from the 30 metre back mark, he sat back  
 last week while **SMOKEN UP NZ (7)** was pressuring a longshot leader and outfinished  
 that fellow with arrogance. A speedy beginner, he'll be in or near the lead throughout.  
**DIVISIVE (2)**, who sat outside **SMOKEN UP NZ (7)** and beat him at Ballarat three starts  
 back, then finished a close fifth in the Hunter Cup before running fourth at Geelong last  
 week in his heat where he was revved up early from a second line draw to eventually find  
 the lead, the early effort taking its toll in the home straight. He ran a brave fourth and  
 from gate two this time, won't have to be set such a task. **GOOD LOOKIN GIRL (1)** trailed  
 wide in the last lap when a close fourth to **REPORT FOR DUTY NZ (12)** in their heat last  
 week and probably wasn't suited by the fast sprint home as she's more a dour type. She'll  
 get a good trip from this alley and has a rough chance of winning if things fall her way.  
**SMOKEN UP NZ (7)** has disappointingly drawn off the track but there's no denying his  
 class and staying ability. Runner-up in the Victoria and Hunter Cups this season, he ran  
 an excellent second to **BLACKS A FAKE (6)** at Geelong last week and may have troubled  
 the winner had he been able to find the early lead. Last week's heat winners **REBA RAJAH  
 (4)** and **REPORT FOR DUTY NZ (12)** don't draw too flash against the reigning champ, but  
 have place claims and will be looking for the right trip to earn a spot in the final.

**SELECTIONS:** BLACKS A FAKE (6), DIVISIVE (2), GOOD LOOKIN GIRL (1), SMOKEN UP  
 NZ (7)

**RATINGS:** 6 / 2 / 1, 7 / 12 / 4.

BARCOLA (10) couldn't have drawn worse than the outside of the second line but will appreciate a big drop in class on his recent efforts and should run a good race here. STRATHFIRE (5) is a brilliant beginner from the mobile and is suited over the sprint distance but lacks stamina at the end of his races. He is a winning chance if he is allowed to set up a slow tempo through the middle stages of the event. NOBLE CHAN (3) is a short course specialist and was resuming since August when he finished hard in the latter stages for an eye-catching fourth last week. He is better drawn now and is worth an investment. STAR OPERATOR (6) has ordinary form on paper but will appreciate a drop in class on his recent performances and is a possible improver. DAWN LOBELL (1) and FAKES TYCOON (2) are both minor place hopes from their good draw on the front line.

'THE ADVERTISERS' LINCOLN MOORE SAYS **DIONYSUS GOLD (1)** has won two of his past three and has the good barrier draw, he was too good for handy filly Same Action last time and will take beating from the nice alley. **HYLAND ZALI (5)** was well driven when a soft winner at Port Pirie last week. She has claims despite drawing wide. **EGOLI (2)** is nicely drawn and he made good ground when runner-up behind Caesar Rama here last week. **PACIFIC LIGNUM (4)** made some good ground late when 3rd behind Caesar Rama here last week and must be respected.

**SELECTIONS:** DIONYSUS GOLD (1), EGOLI (2), HYLAND ZALI (5), PACIFIC LIGNUM (4)

Has had a prosperous season and ran a terrific race in the Cochran Cup as she raced out three wide for the last lap and boxed on well for fourth. She had little luck in the Dullard Cup prior so she has the ability to fill a place, despite the poor draw.

**HUTCHY SAYS:** ONE OVER KENNY NZ (9) proved why she's a hot favourite for this series with her effortless win at Geelong last week, although she mightn't find the lead as easily this time from her second line draw. It shouldn't matter though, as she does look to have a distinct class advantage on all her rivals in this series. Fellow Kiwi GALLEONS SUNSET NZ (5) created a big impression when beating Acacia Ridge and Whatsundermykilt in all the way fashion in the Bill Collins Mile in December and was an unlikely second in a heat of the Dullard Cup at Ballarat two starts back. He missed away in the final of that standing start series last time but it should be a different matter here as he has blistering gate speed from the mobile, and should be in front before too long. RIVER RED (1) led all the way to upset a strong field here early last month, then was luckless from a second line draw behind ONE OVER KENNY NZ (9) at Geelong when resuming last week. He has good early speed and is sure to be prominent throughout. WILL TRAPPER (2) is a late blooming six year old who's won six races this season and ran a brave second to Crescent Glory at Terang last time, when having his first start for six weeks. This is his first try at the ultimate level. No other winning chances.

**SELECTIONS:** ONE OVER KENNY NZ (9), GALLEONS SUNSET NZ (5), RIVER RED (1), WILL TRAPPER (2)

**RATINGS:** 9 / 5 / 1 / 2.

**SUGGESTED BET:** Trifecta 9 to win, 1, 2, 5 for second with the field for third. (\$27.00 for \$1.00).

**OLIVER ROYAL (1)** is a strong and consistent pacer, which tried to lead throughout when he finished a game second behind Lively Highlander in a fast 1.56.5 mile last week. This race is easier and he is a good chance of going one better. **PERFECT PEGASUS (6)** is having his first run in a month but is a very classy pacer, which has won four of his eight starts this season and looms as one of the leading chances. **MACQUARIE (2)** is an honest pacer, which raced on the outside of **OLIVER ROYAL (1)** and was beaten narrowly by that pacer three starts back so rates as an each way chance from his good draw. **SLITHERING (8)** is likely to be trailing the leader from the inside of the second line so is a value place chance. **GRAHAM WILLIAM (3)**, **MILLER (4)** and the two winners from the meeting on Tuesday **SPEED TORQUE (7)** and **MIDGEE NITRO (9)** are worth thought in multiple combinations.

SIX BID SOLO (6) is drawn wide and he tied hard when runner-up behind Ultimate gem at Port Pirie last week. he's well suited in this class and gets his chance. EYRES DREAM (2) is back in class on recent racing and she tied hard when 5th behind Romeo trust here last week. She gets her chance. YELLOW AND BLACK (8) only battled behind Sheezalittlebeauty here on Monday but was a good winner three starts back and can improve. DIAMOND SAFE (9) was placed here two starts back and can run into the multiples despite the bad barrier.

Very under-rated pacer, which has had no luck at his past two starts. He was held up behind the tiring leader when fourth in the Terang Cup then got held up behind the tiring Be Good Johnny last week. He deserves a change of fortune and is not without a chance.

**HUTCHY SAYS:** Dual Miracle Mile winner **BE GOOD JOHNNY (1)** disappointingly failed to qualify for the Interdom when working from a second line draw to the breeze at Geelong last week and only battling in the home straight. He previously worked to the lead and finished off in 56.2 to win a strong FFA at the Valley on Hunter Cup and has the draw this time to handle his much less credentialed rivals. **JAGGED KNIGHT (8)**, who was surprisingly taken to the breeze outside Penny Veejay last week, battled on gallantly for sixth in that race and, normally a fast beginner, she'll be able to slot on to the back of this leader and favourite. He looks the main, if not only danger. **ROAD TO RAINBOW (3)** was having his first try at this level when a luckless fifth to Report To Duty last week and he's in there with some hope. Two others stand out from the rest, they being the dour stayer **FLAMING ROADSTAR (6)**, who's been slightly below his best form recently, and **BOLD CRUISER NZ (10)**, who ran an excellent second to **BE GOOD JOHNNY (1)** on Hunter Cup day and been luckless in both runs since.

ADAMS FIRST (3) led and ran along at a genuine tempo when he scored brilliantly at Albion Park three starts back. He seemingly had every chance at his latest second but is drawn to go close in this event, particularly if he can find the lead. ILLAWONG IAN (8) is clearly the class runner of the field and won by a big space when resuming from a break but disappointed after moving up without cover mid-race last week. He faces a tough handicap of 60m but is too good to dismiss. WILLYGOBYE (1) is a brilliant beginner from the standing start and should be in a prominent position throughout so is not without a chance. BLOWN BUDGET (7) should be fitter for his two starts since a break and was one of the leading trotters in Queensland last season so is worth an investment. DARE DEVIL (2) led in the early stages but broke stride mid-race at Albion Park last outing. He is nicely drawn and has the ability to feature prominently if he produces a foolproof display.

**HUTCHY SAYS:** HI JINKS (1) has won the Stawell and Charlton Trotters Cups from his last three outings and should bounce in front here from the pole draw. Whatever beats him will win. HILDA ELLEN (2) ran an outstanding second at last week's day meeting here to Interdom candidate Sundons Tianov where she settled well back and was wide in the last lap, just failing to pick up that talented mare. A seven time winner last season, she's had two runs back and looks cherry ripe for this. JACK THE CAPRICORN NZ (4) is a six time winning ex-Kiwi who was having his first Australian run (for the Douglas stable) when badly held up and seventh to Sundons TIAVON last week. He comes to the front line this time and a forward showing can be expected. PEPPERELL DANCER (10) looked good when third here on Hunter Cup day, then wasn't disgraced when sixth at Geelong last week after a wide last lap. He looks nicely graded on his best form. DOUGIE (6) led when cut down late by HI JINKS (1) in the Charlton Cup last time and has each way claims along with POETIC DEVICE (5), PEPPERELL VICTORY (8), and to a lesser extent SOLAR ACTIVE NZ (11) and COUNTESSA HEST NZ (12).
