## SUNSHINE BEACH USA

1:47.8 - \$977,438. Bay Horse foaled 2010. 16 Hands

Sunshine Beach is a World Champion son of Somebeachsomewhere from the great Golden Miss family.

Next to the \$3 million winner Captaintreacherous, Sunshine Beach is the greatest son to date of Somebeachsomewhere.

In fact his crowning glory is that he is the first horse ever to defeat the great Captaintreacherous. He did so as a three-year old in the \$500,000 Battle of the Brandywine where he led with Captaintreacherous sitting outside him. At the end of a titanic stretch duel Sunshine Beach had his nose in front in a world record equalling 1:47.8.

A spectacular individual, Sunshine Beach is the best performer from the prolific Artsplace mare Light Up - the dam of five in 1:53 and four \$350,000+ winners that also include Warrawee Flare (1:50.6, \$609,019), Safe Harbor (1:50.2, \$502,688) and Western Moonlight (p, 2, 1:52.6, \$366,091).

- A World Champion son of Somebeachsomewhere.
- A champion 3yo winning the \$500,000 Battle of Brandywine in 1-47.8, defeating \$3million earner Captaintreacherous. Close 2nd in the 3yo Breeders Crown to Captaintreacherous after sitting outside him and 3rd to him in the Meadowlands Pace
- His debut Southern Hemisphere crop includes Ozzie Battler - winner of the Sapling Stakes and Premiere Stakes.

## PEAK

1:57.6 - \$325,742. Chestnut Horse foaled 2007. 16 Hands

Peak is a Group One winner in both hemispheres.

Peak brings some International flair to the Alabar roster. Born in Denmark, his father is French, his mother is Danish and her father is American. He raced around Europe and scored his greatest success in the Group 1 Danish Trav-Derby in Denmark as a 4yo. He then scored another Group One win, this time in New Zealand in the NZ Trotting Free-For-All.

Tim Butt is equally taken with him: "He's such a beautiful horse with a massive heart and superb attitude. He has an unbelievable gait - far superior to any other trotter I've trained. His will to win was his biggest asset."

- A son of two-time champion French sire, Ganymede.
- Carries an attractive balance of the outcross of European blood combined with proven North American sire lines.
- Being from the Speedy Crown sire line, ideally suited to many NZ trotting mares.
- The only stallion ever to win a Group 1 in Europe and then repeat the feat in the southern hemisphere.
- He is siring some very exciting types - sire of 4 2yo winners in 2018/19 (to 9/7/18)
