## NON-DRIVING STABLEHAND LICENCE

Please be advised that from 1 January 2015 HRNSW will be introducing a new licence category named the Non-Driving Stablehand Licence.

The new licence category allows stable helpers and owners to legally lead, gear up and wash horses in training and at the races and trials.

However, as the category suggests, it does not allow a person to drive a horse at any time.

No medical is required to obtain the licence.

The only fee payable for the remainder of the 2014/15 season is a $30 insurance levy.

To apply for a Non-Driving Stablehand Licence you must fill in the Application Form which is on the www.harnessmediacentre.com.au website. Go to:

1. Industry & Integrity
2. Forms
3. Participants - Licences

For any enquires please contact the HRNSW Registration Department on 02 9722 6600.
