

Amendment to advertised program – ALBION PARK FRIDAY 23rd June

After consultation with local trainers the 3yo heats of the Australasian Breeders Crown have been re-scheduled from Friday 23rd June to Tuesday 8th August.

This movement helps avoid feature races and places the Brisbane Heats on the 8th closer to the Semi- Finals which are conducted in Victoria 11 days later on 19th August.

Replacing the two Breeders Crown heats on 23rd June are a 3yo Pace (3C0-3C1) 1660m OF \$6,040 and a conditioned C1 event for horses that have not won more than \$750 at their last 3 starts over 1660m of \$4,041.

Updated programs are now available on the meeting calendar.

It is envisaged that people should have the correct program in the June Pace magazine well before the nominations for the 23rd June close.
