

GIG (SULKY) INSURANCE PROPOSAL

The United Harness Racing Association (UHRA) has approached HRNSW with a request to establish a compulsory gig insurance scheme for NSW participants.

HRNSW has completed the research and financial analysis necessary for the introduction of a state-wide gig insurance scheme and has provided this information to the UHRA and the Harness Racing Industry Participants Advisory Committee (HRIPAC) for consideration.

To complete the consultation process HRNSW invites submissions from clubs and participants on the proposed introduction of a gig insurance scheme.

Submissions should be marked 'Gig Insurance Scheme' and forwarded to:

Mr Max Pool
Chief Executive
HRNSW
PO Box 1034
Bankstown NSW 1885

Or electronically to mpool@hrnsw.com.au by Friday 14 March 2008.

Submissions will be provided to the UHRA and HRIPAC for further consideration.
