HARNESS RACING VICTORIA

HRV CHAIRMAN'S WELCOME

It is with great pleasure that we herald the start of racing at Tabcorp Park – the industry's new \$45 million racing and entertainment venue at Melton.

After years of planning and anticipation, history will be created on Sunday afternoon, July 5 when the opening raceday is conducted at our new home.

Shortly after, the Australasian Breeders Crown Carnival will be held at Tabcorp Park culminating with the rich finals on Super Sunday, August 23.

It is indeed an exciting time for the Victorian harness racing industry and we invite you to share these memorable racedays with us.

Given the enormous interest in both events, the

HRV Board has determined that, for security and liquor licensing purposes, both meetings will be fully ticketed.

Therefore, only those people who have purchased a ticket in advance through Ticketmaster will be admitted to Tabcorp Park for these two events.

I invite you to peruse this brochure and consider the great dining options available on both the opening raceday and Breeders Crown Super Sunday.

Not only will you enjoy fantastic dining and great hospitality, but you'll avail yourself of a terrific vantage point to take in all the exciting racing action.

Also included within this brochure is information on general admission prices for both events, together

with the appropriate booking details.

Interest in dining packages and admission tickets is at a premium for both racedays so I encourage you to book as soon as possible.

All tickets go on sale to Harness Card holders through Ticketmaster from 9am on Friday, May 1 and to the general public one week later.

Don't miss your chance to be a part of harness racing history as the sport's brightest stars take to the track at Tabcorp Park.

We look forward to sharing the experience with you.

Yours sincerely,

Neil Busse
HRV Chairman

TABCORP PARK - THE VENUE

Tabcorp Park has laid its foundation as the new home of harness racing in Victoria.

Melton's central location provides the ideal venue for this outstanding complex, situated just 30 minutes from the airport, 40 minutes from Melbourne and 50 minutes from Ballarat.

By combining the excitement of harness racing, dining, a sports bar, function rooms, conference facilities and accommodation, Tabcorp Park is able to offer guests a complete entertainment experience.

The complex offers a range of stylish, modern and comfortable accommodation, consisting of 41 four-star motel rooms.

Also featured at Tabcorp Park is a 300 seat open plan bistro that overlooks all of the action on the racetrack, and offers diners a great range of cuisine to choose from. The bistro operates for lunch and dinner seven days a week, and is also open for breakfast on the weekend.

We are confident that we can meet your every conference and function requirement with our range of function configurations. Featuring expansive views of the racetrack and Melton area, our function and conference rooms can accommodate up to 700 guests.

Patrons are also encouraged to enjoy Tabcorp Park's entertainment areas including a large sports bar, gaming room and TAB facilities.

THE NEW HOME OF HARNESS RACING

Tabcorp Park is the showpiece of Victorian harness racing, and a community hub for Melbourne's north west.

The concept of a new metropolitan home for Victorian harness racing was raised during Harness Racing Victoria's strategic plan of 2001.

Once it was established that the dream could become reality, the concept of a seven-day-a-week harness racing and entertainment complex was born.

Melton was the obvious selection for such a venture. It is the undisputed heartland of harness racing in Victoria and one of the fastest growing

municipalities not just in the state, but across the nation.

Tabcorp Park, as it is now known thanks to the support of wagering giant Tabcorp, is situated on prime real estate alongside the Western Highway.

Over 40,000 cars travel past the complex daily on the main thoroughfare between Melbourne and Adelaide, whilst an ever-increasing 96,000 people call the Shire of Melton home.

The feature of the complex is a technologically advanced 1040-metre harness racing track which promotes fast, competitive and enthralling racing.

It will showcase harness racing across the world via Sky Channel and its partners, with 55 TAB meetings scheduled for 2009-10, including 47 on Friday nights.

But racing is just one aspect of the complex. Tabcorp Park is also home to a four-star motel, conference centre, function rooms, bistro, sports bar, TAB and a gaming room, all operating seven days a week.

It will become the No.1 destination in Melbourne's north west providing unique and much desired entertainment facilities, together with a range of employment opportunities, for the local community.
