FLOYD BROMAC – (Andrew De Campo) had difficulty obtaining a clear run to the finish. When questioned on his driving tactics, in particular his reasons for remaining in the one wide line rather than obtaining a trailing position in the three wide line racing in the back straight on the final occasion, driver explained that the gelding raced best when saved for a late run provided it was not obliged to race wide around the final turn. In running he had anticipated being carried into the race in the back straight on the final occasion, when runners in advance of him commenced their moves. Approaching the 400m when those runners were unable to improve their positions, he was left with no other option but to endeavour to make ground in the one wide line. He conceded that with hindsight his best option may have been to follow DEMORALIZER into the race.

Broke racing in the back straight on the final occasion, will not be permitted to race for six days and until such time as it completes a satisfactory trial. **General**

Stewards inquired into the reason for NITRO NINA (Morgan Woodley) breaking gait racing into the front straight on the final occasion. It was established that Jason Vella (BALTHAZAR) had shifted outwards to obtain a clear run at that point carrying JASPER COUNTY (Jon Gavin) and TESTHEPOWER (Phillip Naylor) outwards. NITRO NINA which was racing to the outside of TESTHEPOWER and hanging inwards at that point, was unable to avoid the outward movement, contacted the sulky wheel of TESTHEPOWER and broke gait. Stewards took no action over the matter other than to remind driver Mr Vella of his obligations when shifting ground.
