

## Revised Field Selection Point distribution effective October 1

Please note amendments to the distribution of Field Selection Points in Queensland will come in to effect from October 1.

These amendments were made to align with the value and quality of races available at each venue taking into account prizemoney changes earlier in the year.

Amendments include:-

- Albion Park Friday meetings, races over \$6,000 will now be allocated one more point than previously (12 points to the winner)
- Redcliffe Wednesday & Thursday race meetings the \$5,200 races have been raised by a point to separate from the \$4,030 races which remain the same as previous at 10 points to the winner.

Please refer to the table below for details of the revised Field Selection Point distribution:
