

Premier Hopples Recall by Zilco

Zilco is dissatisfied with the long term performance of its Premier Hopples manufactured between August 2006 and January 2007 and as such, have decided upon a product recall.

The recall affects all PREMIER Hopples identified by the following six batch numbers **only**:

758 - 06/08	836 - 06/09
963 - 06/11	1035 - 06/12
1127 - 07/01	1368 - 07/01

Batch numbers can be located near the hopple block on the outside of the loop

Anyone with a set of hoppers within this criteria should return them to their nearest Zilco stockist for a FREE replacement (loops only) with our latest flat-back model "SLICKZ"
