Vale Greg Sugars

On behalf of the Committee and Members of the SA Harness Racing Club we offer our heartfelt condolences to the family and friends of Greg Sugars following his untimely passing on Saturday. The Sugars name remains synonymous with harness racing across SA and in particular the club's Globe Derby Park racetrack where Greg drove his first winner back in December 2000. Len Sugars was a long-standing Committee member of the SA Harness Racing Club and did a lot of work at Globe Derby Park in the early days and remains a life member of our club. Greg's father Ross was both a leading trainer and leading driver in SA and later a long-term President of SABOTRA.

The Sugars family contributed significantly to SA Harness Racing and our thoughts and prayers are with you all at this difficult time.
