Yellow cell = horse scratched

Standby Drivers: Brendan Barnes & Layne Dwyer

In the event the Slot Licensee's horse is scratched, declared a non-runner or fails to gain a start in a heat, the Slot Licensee will receive the following points:

- | | | |
|----------------------------------|------------|--|
| 1. If 9 starters - 6 points | Factor in: | a) if scratching is a 1st or 2nd round pick, 3 additional points will be allocated |
| 2. If 7 or 8 starters - 5 points | | b) if scratching is a 3rd or 4th round pick, 2 additional points will be allocated |
| 3. If 6 starters - 3 points | | c) if scratching is a 5th or 6th round pick, 1 additional point will be allocated |

Points earned by the standby driver shall be allocated to the Slot Licensee.

If a dead heat should occur the points for each dead heater will be added together and divided equally.

The Slot Licensee with the highest total points across the Ultimate Driver Race Series will be declared the winner.
